Company Profile:

Hetzner, headquartered in Gunzenhausen, Germany, is one of the largest web hosters and data center operators in Europe. Founded in 1997, the company operates more than 30 data centers in Nuremberg and Falkenstein in Germany, and in the Finnish capital Helsinki, and also has locations in Ashburn and Hillsboro, USA.

A team of more than 400 employees develops innovative hosting products and supports business and private customers from over 180 countries. In addition to Hetzner's cloud products and dedicated servers, which have already won several awards from independent juries and in readers' choice polls, Hetzner's product portfolio also includes web hosting and colocation services. Hetzner is continuously expanding its market position at home and abroad thanks to its combination of high-performance technology at unrivalled low prices, flexible support and services and the constantly growing range of products.
